At 10th June 2020 (Wednesday)

In Virtual Meeting Room

HKABAEIMA is preparing a series of training classes on different topics to help BIMers transiting from BIM to openBIM. We invite you to attend the below lesson, and please [register](#) to enjoy the learning and knowledge sharing activity.

17:30 - 18:00

Reception

18:00 - 19:00

**Topic:** Mastering knowledge and tools for openBIM

**Lecturer:**

Mr Kevin Wong  
Regional Director  
CivilConnect Limited

**Brief:**

Open BIM technology enables collaborative, multi-disciplinary and multi-user workflow, which allows projects to be developed in an open, coordinated and simultaneous manner amongst the various project designers or agents that intervene in the project. In this seminar, the speaker will provide useful knowledge and tips on choosing the right tools for openBIM projects from all over the world. Experience sharing from some countries applying openBIM tools in construction projects will also be highlighted.

1. This training class is a free event, and we welcome everyone to join our openBIM learning platform.
2. With the completion of this event, a 1-hour CPD will be provided.
3. The class will be conducted in English.
