

HKABAEIMA Training Centre Training Class

At 22nd July 2020 (Wednesday)

In Virtual Meeting Room

HKABAEIMA is preparing a series of training classes on different topics to help BIMers transiting from BIM to openBIM. We invite you to attend the below lesson, and please [register](#) to enjoy the learning and knowledge sharing activity.

BIM-GIS Integration for Smart City Development – The Process

Schedule	Speaker / Moderator
17:30 - 17:50	Reception
17:50 - 18:00	Dr Paulina WONG
18:00 - 18:05	Ar Ada FUNG
18:05 - 18:30	Ms Rosana WONG
18:30 - 18:55	Ar Edmund CHAN
18:55 - 19:15	Q&A

Moderator
Dr Paulina WONG
Assistant Professor
Science Unit
Lingnan University

Welcome Address
Ar Ada FUNG
President
HKABAEIMA

Speaker
Ms Rosana WONG
Executive Director
Yau Lee Holdings Limited

Integration of Micro Spatial to Macro Level of Geographical Synthesis
Nowadays Construction 2.0 together with Industry 4.0 have become main focuses in building a sustainable smart future. Rosana Wong will show how her Group, from an owner's perspective, benefit from implementing integrated micro spatial and macro level of BIM and GIS in geographical synthesis through full lifecycle management from sustainable urban planning, smart living design, holistic lean construction to facility and asset management.

Speaker
Ar Edmund CHAN
Head of BIM and GIS team
Hong Kong Housing Authority

Integrated Use of BIM and GIS in Housing Authority
Hong Kong Housing Authority is one of the first organisation to integrate BIM and GIS for use in planning and design of housing developments. Discover how they achieve this breakthrough by developing their own tools using openBIM technology, at a time when such commercial products are not available in the market, and experience their journey in projects implementation in this brief presentation.

1. This training class is a free event, and we welcome everyone to join our openBIM learning platform.
2. With the completion of this event, a 1-hour CPD will be provided.
3. The class will conduct in Cantonese accompany with English terms.
