Welcome Address

Ar Ada Fung

President

HKABAEIMA

18:08 – 19:00

Speaker

Ar David Fung

Managing Director

Advanced Construction Information

Development Limited

Topic: Common Data Environment (CDE)

CDE is a common but commonly misunderstood BIM terminology. While it is now required in most contracts, we most probably only use it as an online storage rather than its most important aspect – Information Management. This session exposes the management intention and practical use of CDE in the whole project life cycle.

19:00 – 19:15

Q&A

1. Registration will be ended at 3pm on the day of the training class.
2. This training class is a free event, and we welcome everyone to join our openBIM learning platform.
3. With the completion of this event, a 1-hour CPD will be provided at the cost of HK\$50 as a handling charge.
4. The class will conduct in Cantonese accompany with English terms.
