Schedule	Speaker/Moderator
17:45 - 18:00	Reception
18:00 - 18:05	Michael Wong
18:05 - 18:15	Welcome Address - Ada Fung
18:15 - 18:35	A preview of the 10-week professional training on BIM x GIS Integration (Foundation)
18:35 - 19:20	Hong Kong Open GeoSpatial Platform - Samuel Cheung
19:20 - 19:30	Q&A

Open geospatial data is one of the valuable and thriving resources that underpin the growth of smart city. This presentation will discuss how open geospatial data empowers AEC industry to implement GIS BIM integration for smart solution of project management. Platform of Hong Kong open geospatial data will also be introduced.

Speakers' Biography

Samuel Cheung is a Senior GIS Analyst from Esri China (Hong Kong) Limited that provide GIS solution to customer from commercial industries and government departments. Samuel and his colleagues are experienced in promotion of GIS-BIM integrated solution to AEC industries. Solutions have been successfully adopted by increasing number of customers to develop smart site management system, digital twins platform and other web-based GIS platform.

Note:
1. Participation at this training class is free of charge, but registration is required. The registration will close at 3pm on the day.
2. Upon the completion of this class, a 1.5 hours CPD will be offered at the cost of HK$ 50 (as a handling charge).
3. The class will be conducted in English.
