**Hong Kong openBIM/openGIS Award 2026**

***Professor Jack Cheng***

Award Organizing Committee Chairman  
HKABAEIMA

**18:20 – 18:45**

**Speaker:**

***Mr Dennis Gao***

Project BIM Manager  
Hip Hing Construction Company Limited

**Client:** Hysan Development and Chinachem Group

**Topic:** Lee Garden Eight – A Landmark of Sustainability  
and Digital Collaboration with openBIM

**Highlights:**

- Achieved the highest adoption rate of MiMEP in private development in Hong Kong.
- Winner of the openBIM International Award 2025 for Sustainability Excellence.

**18:45 – 19:10**

**Speaker 1:**

***Ir Dr Edward Chan***

Deputy General Manager,  
Project Management 2 Department  
Henderson Land Development Company Limited

**Speaker 2:**

***Mr Tommy Wong***

Manager (InnoTech)  
Hip Hing Construction Co Ltd

**Topic:** openBIM Solutions for Project Challenges,  
Multidisciplinary Coordination, and Long-Term  
Value in Facility Operation

**Abstract:** The Henderson is a people-centric office building that embodies innovation and future-proof design for long-term operation. Supported fundamentally by an openBIM collaboration strategy from its design stage, and maintaining its consistency throughout construction and operation, this project exemplifies the synergy between BIM, technology, and ESG. It demonstrates how digital collaboration can drive meaningful transformation across the workplace, people, and community.

**19:10 – 19:20**

**Conclusion:**

***Ar David Fung***

bSI Committee Chairman

**19:20 – 19:30**

Q&A
