

CIC BIM Standards Stakeholders Consultation Seminars

(Final draft of Phase B and first draft of Phase C)

Since January 2019, CIC has organised several briefing and consultation seminars on the general development principles and the details of the BIM Standards of Statutory Plan Submission. Comments and feedback have been received. The final deliverables of the BIM Standards for Phase A* will be published very soon. Besides, the **final draft of Phase B and first draft of Phase C** of the BIM Standards have also been prepared.

*Phase A: Superstructure Plan, Foundation Plan and Demolition Plan included Hoarding.

Phase B: Excavation and Lateral Support (E&LS) Plan, Site Formation Plan and Ground Investigation Plan.

Phase C: Drainage Plan and Curtain Wall.

To ensure that the BIM Standards could meet the industry needs and align with the expectations of the industry, we are organising the following two sessions of “BIM Standards Stakeholders Consultation Seminars” to walkthrough the details of the final draft of Phase B and first draft of Phase C of the BIM Standards.
