Speakers' Biography

Mr. Mohsen Yazdi is a Digital Project Manager at DBM Vircon working as part of the digital engineering team and is currently delivering the Queen's Wharf Brisbane project. Mohsen has experience in project management and construction procedure from concept designing to finishing details, with a background in design and coordination of various buildings including mining sites, residential building, city halls and conference rooms.

Mr. Hayden Crackett is currently providing project management, project delivery and advisory services across major projects. Additionally, Hayden assists Regional Leads managing Digital Engineering / BIM delivery and continuous improvement of the DBM Vircon Digital Engineering processes.

Note:

1. Participation at this training class is free of charge, but registration is required. The registration will close at 3pm on the day.
2. Upon the completion of this class, a 1.5 hour CPD will be offered at the cost of HK\$ 50 (as a handling charge).
3. The class will be conducted in English.
